300 feet/ 100 meter range

Connects to printers USB
or parallel port

ANYCOM PM-400

Bluetooth Printer Adapter

The Bluetooth word mark and logos are owned by the Bluetooth SIG and any use by ANYCOM is under license

The **ANYCOM PM-400** adds *Bluetooth*[®] wireless technology to nearly every printer. The printer adapter connects to either the USB interface or the parallel printer connection. It is a Class 1 *Bluetooth* device with an range of up to 328 feet (100 meters) and this makes it an ideal solution for convenient wireless printing.

The **ANYCOM PM-400** is designed for a universal use on different printers and not dedicated to special manufactures or printer models. It allows printing to colour or black and white printers, laser or ink printers, paper or special material, it simply replaces the cable. Once attached to your printer every *Bluetooth* enabled device like PC's, Notebooks or PDA's can print wirelessly to this printer from up to 100 meters distance.

The **ANYCOM Printer Adapter** utilizes 2 different *Bluetooth* specified profiles - HCRP (Hardcopy Cable Replacement Profile) that is supported by a huge variety of professional devices to print from and the standard SPP, that is a simple and easy way to print from nearly every device. The *ANYCOM PM-400* is an ideal solution for office environments where some people share one printer or for every surrounding where the use of cable is inconvenient. It is designed as a universal *Bluetooth* Printing solution and there is no need to buy a fixed pair of products that only can talk to each other.

Use your existing *Bluetooth* enabled device with the **ANYCOM PM-400** or add one of the other ANYCOM products to make your device *Bluetooth* ready.

ANYCOM PM-400 Blue Printer Adapter *Technical Specifications*

Application:	Bluetooth Printing
Specification Bluetooth:	Bluetooth 2.0
Approvals:	USA and Canada FCC, complete Europe CE
Max speed Bluetooth:	Up to 1 Mbps gross
Range / Radio Class:	Up to 300 feet/ 100 meter / Class 1
Chip set:	CSR BlueCore04
Antenna:	Integrated
Powered:	External power supply, 7,5 Volt, 300 mA
LEDs:	Three LED's, for power, Bluetooth connection and data transfer
USB Connector:	USB 1.1 type A female
USB Port:	Supports USB printer class
Parallel Connector:	Standard Printer Port IEEE1284
Supported profiles:	GAP, SDP (Server), SPP (DevB), HCRP (Server)
Security:	Secure Access and dedicated communication with password and device specific PIN-Code, 128 bit Encryption conforming to the Bluetooth specification, Changeable device name
Dimensions: (HxWxD):	3.14 x 2.36 x 0.826 inch / 80 x 60 x 21 mm
Weight:	61 grams / 2.15 oz
Warranty:	ANYCOM limited worldwide 2 year warranty
Package content:	ANYCOM Printer Adapter, power supply, Utility CD, printed multilingual Quick Start guide
Part Number:	CC3024-41 (with EU power supply) CC3024-42 (with UK power supply) CC3024-43 (with US power supply)
